Where High Performance and Recreation Meet

For years Goldline has been known as the Choice of Champions and has been trusted by curlers at all levels of play. We have gone through a multi-year refresh of our product line and introduced a whole swath of new products which have been energetically embraced by all levels of curlers.

Over the last few years we have turned our attention to the high performance market. We are excited to announce a line up of new and innovative products specifically geared towards curlers who are looking to maximize their performance on the ice.

This season we are introducing 6 new products, all tailored for curlers who are playing at the very top levels of the sport, or working towards doing so.

1. In this catalogue, you will find information on perhaps our most highly anticipated product, our new **Impact brooms**. We've redesigned our broom head from the ground up, partnering with high performance curler and Sports Engineer, Mark Taylor, who will be playing 2nd on Team Waddell out of the British Curling Olympic program. [Learn more on page 6.](#)
2. We are also introducing the **Rush shoe**, the first in our new **Momentum** series. We started work on this shoe two years before the pandemic hit, but had to delay our launch. This has provided us with nearly two years of on-ice performance feedback, and we've loved everything we've seen. We're sure you'll love them too. [Find out more on page 4.](#)
3. This year we also have two new gloves. The **Clutch glove** features grip zone technology on the palm, which will maximize your ability to grip the broom handle while applying your full force on the broom. The **Blaze** is a warmer glove, geared towards skips who need grip for short bursts and warmth throughout their game. [Check out both these gloves on page 12.](#)
4. Finally, we've managed to work through our supply chain issues and look forward to releasing our **new pants** this season. We have new pants for both men and women that balance flexibility, style and quality. Whether you're playing a casual Thursday night mixed game or under the spotlight at the Grand Slam of Curling, these pants will be great on the ice. [See for yourself on page 13.](#)

Growing the Sport

Our passion for the sport has lead us to a number of great partnerships, always with an eye on how we can help to grow the game!

Changing the Face of Curling

On June 18, 2020 Goldline Curling made a statement that we have not done enough to support racialized communities in curling. That statement was just a beginning for us, as we started down a path of learning and partnership.

In February, 2021 we announced our **#UnitedWeCurl** initiative. You can learn more at unitedwecurl.com.
